PROFESSIONAL SUMMARY

Dedicated ICT Support and Network Technician with 1+ year of hands-on experience in IT support, service desk operations, and network administration. Proven ability to troubleshoot hardware and software issues, resolve IT incidents efficiently, and support LAN/WAN environments. CCNA-certified with strong knowledge of Cisco networking, committed to delivering reliable, high-quality ICT services aligned with business needs.

KEY SKILLS

Technical Skills

- Networking: TCP/IP, DNS, DHCP, VLANs, Subnetting
- Systems: Windows, Linux, VMware
- Tools: Git, Microsoft Office
- Databases: MySQL, MongoDB
- Programming: Python, Java (Basic)

Soft Skills

- Problem-solving & analytical thinking
- Strong communication & interpersonal skills
- Time management & teamwork

PROFESSIONAL EXPERIENCE

IT Support Intern – Thulamela Local Municipality (Jun 2024 – Jun 2025)

- Provided technical support to 50+ users, resolving hardware and software issues efficiently
- Assisted in maintaining network infrastructure and improving system performance
- Supported installation and configuration of hardware and software systems

Network Associate Intern (CCNA Track) – Zensar Technologies (2025 – Present)

- Monitored and supported network infrastructure including routers and switches
- Assisted in configuring and troubleshooting Cisco devices
- Performed LAN/WAN troubleshooting, VLAN configuration, and subnetting
- Worked with senior engineers to maintain network uptime

PROJECTS

- Built a network simulation using Cisco Packet Tracer (VLANs, routing, subnetting)
- Developed a basic web application using HTML, CSS, and JavaScript
- Configured virtual machines using VMware for testing environments

ACADEMIC PROJECTS

- Web Application Development: Developed user-centered applications with a focus on problem-solving and collaboration
- Networked Application Project: Designed and optimized network applications to enhance network efficiency
- IT Management Analysis: Analysed system requirements to improve workflow and project management

EDUCATION

National Diploma in Information Technology – Vaal University of Technology (2019 – 2023)

Matric – Thase Secondary School (2013 – 2018)

CERTIFICATIONS

- Mobile Digital Literacy – NEMISA, University of Limpopo (2022)
- CCNA Routing & Switching – Cisco (2021)
- AWS Educate – Compute, Web Builder, Machine Learning (2023)
